

Thursday, September 9, 2021

Dear parents,

Things seem to be settling in well but as always, if you have any questions or concerns, please feel free to see us at any time. This week we have talked about our family. If you have not done so already, please bring in a family picture or snap shot for our family board. The children love seeing their family on the wall!

**Please make sure you are signing your child in and signing them out. Thank you!**

If your child is absent on their star day or school is cancelled due to weather, we will have 2 stars the following school day. **Please do not send toys from home unless it's your child's star day. This helps eliminate lost toys and very sad preschoolers! Thank you for understanding.**

Please note: If someone else will be picking up your child, please let us know either verbally, with a phone call, email or a note. If we are not aware that someone different will be picking them up, we check to make sure that person is on your emergency card. If they are not on it, we will not release your child to them without your consent. We will ask for a driver's license which sometimes leads to unhappy adults but keeping your child safe is our main concern.

Helpful Hint: If your child is close to writing their name but can't write it on their own, it is helpful to highlight their name with a yellow marker or a highlighter and have them trace it.

Our theme next week will be friends.

**If there is a school delay, there is no AM preschool.**

Have a nice weekend!

Sincerely,

Laurie Henry lhenry@nativityparish.net
